REQUEST FOR REINSTATEMENT

Dear Sir:

Applicant is in receipt of the Notice of Abandonment dated March 12, 2004 in the captioned application. This Notice indicates that the application was abandoned because of "Applicant's failure to timely file a proper reply to the Office letter mailed 10 June 2003." Applicant respectfully requests reinstatement of the application on the following basis.

Applicant mailed the following documents, with a properly executed certificate of mailing under 37 C.F.R. 1.8(a), to the Office on October 7, 2003:

- Response to Official Action of June 10, 2003;
- Request for (one month) Extension of Time; and
- Transmittal of Amendment.

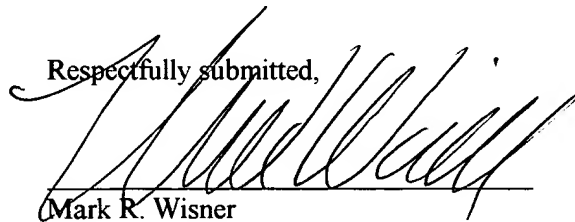

Copies of the above-listed documents are enclosed for the convenience of the Office. Unfortunately, the below-signed Attorney for Applicant does not seem to have received the date-stamped postcard sent with that filing back from the Office to enclose with this Request for Reinstatement to show that the Office acknowledged receipt of that filing. However, as set out in 37 C.F.R. 1.8(a), correspondence required to be filed within a set period of time will be considered

as timely filed if the procedure described in §1.8 is followed; actual receipt of the correspondence by the Office is not required by the Rule.

Specifically, correspondence sent to the Office is considered timely "if the party who forwarded such correspondence (1) informs the Office of the previous mailing . . . promptly after becoming aware that the Office has no evidence of receipt of the correspondence; (2) supplies an additional copy of the previously mailed . . . correspondence and certificate; and (3) includes a statement which attests on a personal knowledge basis . . . to the previous timely mailing . . . 37 C.F.R. 1.8(b). This Request for Reinstatement is therefore being filed by the party who forwarded the previous correspondence (the undersigned Attorney) to inform the Office that the correspondence was not received, and is being filed promptly after the undersigned Attorney became aware that the Office had not received the correspondence. An additional copy of the previously mailed correspondence is enclosed, and the undersigned Attorney hereby states that he personally deposited the envelope (into which he had himself placed the enclosed correspondence) into the U.S. Postal Service mail drop box on the first floor of the building in which his office is located and that he did so in time for pick-up by the postal carrier on October 7, 2003.

Applicant therefore requests withdrawal of the Notice of Abandonment of the application, entry of the amendments outlined in Applicant's Response to Official Action of June 10, 2003 and consideration of the remarks set out therein, along with reconsideration and withdrawal of the rejections, and passage of the application to issuance. Although there should not be any fee for this Request for Reinstatement, in the unforeseen event a fee is assessed, the Commissioner is authorized to charge the Deposit Account of Wisner & Associates, Account No. 50-0965 (KCIA,012).

Respectfully submitted,
